

Finding YES in Your Organization

Strategies and Best Practices for Sustaining an Engaged Workplace

by Julie Ann Sullivan, MBA

- Are you looking for higher engagement and retention in your workplace?
- Would an increase in productivity and creativity add to your organization's success?
- Is accountability a quality you'd like to see expand in your organization?

If you've answered yes to even one of these questions, then this motivating employee engagement program is for you!

Learning Objectives

In this session, you will learn to:

- **Emphasize the strong role of leadership to emulate, communicate and reinforce strategies necessary to sustain business success**
- **Understand the importance of purpose on a micro and macro level and its relationship to greater productivity, safety and a longer life**
- **Create habits to sustain and enhance positive behaviors**
- **Identify and exclude destructive behaviors that damage a workplace environment**
- **Acquire specific implementation methodologies to utilize immediately**

Julie Ann is a professional member of the National Speakers Association, accomplished author and host of the Mere Mortals Unite podcast, now streaming around the world.

"I really enjoyed your program at the Duquesne University Leadership Series. I found the training informative and inspiring. I was on the edge of my seat as if the seminar was taught by the likes of Jim Rohn, Zig Ziglar, Bob Proctor or John C. Maxwell." – KELLY RUSSELL, PROGRAM ADMINISTRATOR, CITY OF PITTSBURGH DEPARTMENT PERSONNEL & CIVIL SERVICE COMMISSION
